## Successful completion of GUEST Yacht Owners Representative – Management & Compliance Obligations Unit 42

IAMI Reference: Unit 42 | Yacht Owners Representative

**Full name of Candidate:** Selahattin Kurt

**Assessment Date:** 23rd April 2025

**Certificate Number:** 7509

### The main knowledge and skills completed within this GUEST unit include:

Topic 1: Building the Owners Team & Surveying.

Understands the needs & budgets to identifying & organising an Owners Build Project Team, with the relevant specialists, to ensure, understand & meet the Owner expectations.

Understands the requirements for Project Surveying & Risk Assessment, inc. the surveying experience & required time.

Understands the decision making process, schedules, procurement & budgets for the interior designer.

Topic 2: Project Planning Management, Owners Decisions, & Change Orders.

Understands how to interpret Shipyard planning & schedules, the management of workflows in line with planning schedules, & coordination & the contracting of orders & delivery of Items required by the Shipyard.

Understands the importance & impact on planning schedules from Owners decisions inc. change orders.

Understands how to raise, manage & coordinate change orders & variations, & how to manage the milestones & payment schedules.

Topic 3: Sub-Project Management of Owners Supplied Items, Crew Recruitment & Operational Preparations.

Understands the management for coordinating, procurement & purchasing of items identified in the initial contract, including management of Owners supplied items & orders, the associated budgets & delivery timelines.

Understands the administrations & operational preparations & set up for Shipyard departure, including Crew Recruitment & employment responsibilities, & key crew employment during procurement & the set up phases.

Topic 4: Delivery, Commissioning & Warranty.

Understands the protocol & critical stages of the delivery process & the phases of Commissioning & meeting the set targets.

Understands the processes & preparations for Sea Trials.

Understands the Acceptance Documents, & the contractual & legal aspects of the Warranty, inc. outstanding issues & ongoing warranty periods.

Topic 5: Public Image, Confidentiality & dealing with Media & Publicity.

Understands how to manage public image & follow Owner expectations & confidentiality clauses of the New Built Project.

Understands media outlets, resources & practices, & how to manage the media & publicity during the project.
